Old Business

Before talking about the billboard, Eric talked about the d71st Conference. The first Conference was in 1950 so this is panel 71 in 2021 and the 71st Conference.

- Eric J. Gave report on billboard cost \$ 3,200.00 if we pay for it alone, doesn't look like District 18 will be going in on it with us. The reason it is so much more than originally thought it would be is that it is much more expensive in our district. Keith asked if it needed to be in our dist. Eric explained that it was being paid for by our district and it would be nice to attract people to our meetings in our district. Billboard # is 270. Kelli asked more questions about other types of reaching out. Eric said those were out of his scope. He did the research on the billboard only to

try to help dist 22 spend down our money . Dist. 21 was invited in on it, they are probably a no. it would be on 55 and 169. May 3-May 30 about 250,000 car per week see it. It will be lit at night. It is 10 ‘ x 30’. We are getting a discount from \$3,975.00 to \$3,200.00. Bring this info to groups we will vote on it in April district meeting.
