Need to fill a lot of spots. The Area suite that will be there needs people. GSR's, Alt GSR's attend the meeting rather than volunteer. Will be reviewing the agenda items so our delegate will be prepared to represent Area 36. We need to get as much info out of it as possible. There will be a virtual aspect, register now and you will get the log in info at the last minute. West Central Region.org

LIT- Linda many questions from her group how many people will go there? Because of Covid it will maybe a few hundred? Newly sober people if volunteer would the fee be waived? Don't turn anyone away. Probably not. Special Circumstances. Make sure they come we will figure it out. We are self-supporting. Will there be materials printed out and background information. Packets there. All of the Agenda items that we are discussing will be there. This is the first year that items will be divvied up more evenly. At times all in one room and at times breakout rooms. We really need volunteers, and it is open up to the other seven regions. Service work 12 step work.
